

Rider Development Pathway, Progression Criteria.

The following forms the basis of the required commitment and age criteria for 2020 of riders who move up or who apply to move up to RDP (Team CSP) and RDP (Team SB Hub). This criteria also applies to riders from other clubs or teams who wish to apply.

- **Team CSP /RDP (Youth A)**

- **Team SB Hub/RDP (Junior, Youth A year 1 &2)**

Team CSP / RDP

Riders move from CSP Skillz 3 who have reached the appropriate skills standard and coach recommendation ready to commit to: Tuesday RDP sessions, Mid week Hub racing April – September or equivalent, weekend activities, road rides, and periodic Saturday sessions i.e. Training camps etc. etc.

Riders race in CSP kit preferably (or any kit per BC regulations) and must be 1st claim CSP members

- Age criteria boys and girls minimum youth A year 1 as of 1st of Jan. (current year).
- Regular attendance at sessions is essential and a condition of coaching support and progression.
- Riders/parents must have a commitment to gain experience at regional racing for example:

Moseley early birds series / Dolan Series / NW Youth series / Town centre racing i.e. Colne, Skipton, Ilkley, Otley etc.

Cont.

Team SB Hub /RDP (Youth A year 1 minimum)

Riders are selected for Team SB Hub/RDP via coach recommendation and/ or application and who have shown the required commitment during Team CSP/RDP period. Alternatively riders moving from other clubs / teams who can demonstrate similar. Age criteria:

Riders/Parents demonstrate an established commitment to regional racing (as above) and have goals and aspirations to compete at National series races.

Riders race in Team SB Hub kit preferably and must be 1st claim Team SB Hub (Per BC regulations riders can race in SB Hub kit , CSP kit, or any kit and therefore remove any cost barrier)

Team SB Hub /RDP (Junior)

Riders/Parents demonstrate an established commitment to regional racing and have set goals to compete at National series races.

1:1 Coach/rider meetings (with parent) and opportunity leading to 1:1 coaching.

Riders must race in Team SB Hub kit per BC regulations.

When possible 4 or 5 rider teams will contest national series races. Selection for these races will be coordinate by Team SB Hub coaches. In the event of the Team having a larger junior rider roster consideration will be given to forming a composite team.

Team equipment: Hope carbon Team wheels will be made available to Youth A and Junior riders only for regional and National competition only. This is not on a first come first served basis but strictly dependent on rider / team requirements.
